Maldives: Visas & Passports

All foreign passengers to the Maldives must hold onward/return tickets, and the necessary travel documentation for their next destination. Furthermore, visitors entering the Maldives without a hotel reservation or a Maldivian sponsor must hold proof of sufficient funds to cover their expenses while in the country. A disembarkation card must be filled in by every passenger, and submitted to the Immigration Officer upon entry into the Maldives. Nationals of most countries can obtain a tourist visa on arrival, for a maximum stay of 30 days. Extensions of stay, to a maximum of 90 days from the date of the visitor's arrival in the Maldives, are possible, by paying a fee of MVR 750 to the Department of Immigration in Male, at least one day prior to the expiry date of the initial 30-day entry period. Note that a yellow fever vaccination certificate is required to enter the Maldives, if arriving within six days of leaving or transiting through an infected area. NOTE: It is highly recommended that your passport has at least six months validity remaining after your intended date of departure from your travel destination. Visitors without a hotel reservation should have at least USD 100 per person per day for the duration of their stay. Immigration officials often apply different rules to those stated by travel agents and official sources.

- **Limitations of Liability**

International Passengers on Limitations of Liability:

Passengers embarking upon a journey involving an ultimate destination or a stop in a country other than the country of departure are advised that the provisions of an international treaty (the Warsaw Convention, the 1999 Montreal Convention, or other treaty), as well as a carrier's own contract of carriage or tariff provisions, may be applicable to their entire journey, including any portion entirely within the countries of departure and destination. The applicable treaty governs and may limit the liability of carriers to passengers for death or personal injury, destruction or loss of, or damage to, baggage, and for delay of passengers and baggage. Additional protection can usually be obtained by purchasing insurance from a private company. Such insurance is not affected by any limitation of the carrier's liability under an international treaty. For further information please consult your airline or insurance company representative

- **International Child Rules**

IMPORTANT INFORMATION REGARDING CHILDREN TRAVELING OVERSEAS:

Goway strongly recommends that children carry a consent letter if they are travelling abroad alone, with only one parent/guardian, with friends or relatives or with a group. For the purposes of this consent letter, a child is defined as anyone who is under the age of majority at the time of travel.

A consent letter may be required, or it may simplify travel, as it may be requested by immigration authorities when entering or leaving a foreign country or by officials when re-entering the USA/Canada. The letter demonstrates that children have permission to travel abroad from parents or guardians who are not accompanying them.

INSURANCE

If you are like a lot of people these days, you don't just look forward to your vacations - you need them. A vacation is your opportunity to rest, relax, and recharge your batteries. Unfortunately many things happen that might cause you to cancel your travel plans or cut them short. Cancelling a trip, or parts of a trip, will incur penalties and may also result in extra, unforeseen costs. Emergency medical treatment while travelling can also be a significant out-of-pocket expense; where assistance and proper care is critical. Missing a vacation or having your trip interrupted is bad enough; losing money you paid or paying out extra, especially for overseas medical bills, is even worse.

We offer a number of insurance policies that may vary based on your age and/or vacation price. Coverages may include a combination of the following:

- Medical Insurance (some policies will cover pre-existing conditions if paid with the initial deposit)
- Cancellation Insurance
- Optional upgrade to CFAR (cancel for any reason from 50%-80% coverage)
- Baggage delay and Loss
- Trip Interruption

Goway Travel Protection Plans are your ticket to worry-free travel. Now you can protect your travel investment and take the peace of mind with you when you travel.

It's important to understand the policy inclusions if you are relying on credit card insurance coverage as the amounts covered are capped and duration is fixed. As your trip is a significant investment it is best to be fully informed.

For pricing and details on our insurance policies please contact your Destination Specialist.

These may differ from those found in your country of Origin. The standards and conditions in other countries with respect to the provision of utilities, services and accommodation may also differ from those found in your country of origin.

PRICES:

Once we have received your deposit you will be given the opportunity to pay in full to avoid any price increase (in the rare case it occurs). If the total price of the travel services increases and the cumulative increase, except any change in government taxes and fees, is more than 7%, the customer has the right to cancel and obtain a full refund. No price increases will apply after balance is paid in full, except for government charges, such as National Park fees, taxes, and any fees paid locally in destination, that may increase at any time. These are outside of the control of Goway or its suppliers, so must be paid by the customer, even if the booking has been paid in full.

AMENDMENT FEES:

Once a booking has been made, any change is subject to a communications fee of \$25 per change. Once documents have been issued, any change will be subject to a minimum administration fee of \$50 in addition to communications charges. Suppliers may also charge fees to change certain travel arrangements, and in some cases a change to a booking may see some items assessed for cancellation fees if a change of service or supplier occurs. Please discuss with your travel agent before making the decision to change or cancel any booking item, as it may be considered as a partial booking cancellation depending on the timing and nature of the change.

BOOKING REQUIREMENTS:

With all the great travel ideas we offer, it should be easy for you to choose a long holiday. If, however you are not tempted to purchase a minimum of 7 days, we must charge a booking fee of \$50 per person. This will be added to your trip price unless Goway issues your international air ticket.
